From New York Times bestselling author Joanne DeMaio comes The Goodbye, Book 16 of The Seaside Saga. How do you know when it's goodbye? When something's over. When it's the last perfect day of the summer. When it's the last time you'll see a face, hear a voice. The last time you'll close a shingled cottage's door. How do you know when you'll never be somewhere again, that you've had your last glimpse of a certain sea? For the tangled cast of beach friends in Stony Point, it's a question some of them face. Because as the golden late-summer sun shines, goodbyes are due. But to whom? And The Seaside Saga continues.
