Grady and Graff, both Montana natives, masterfully curate this collection of hard-edged Western tales. Montana may not have the back alleys so common to noir but it has western justice which can be quick, brutal and final and that is as satisfying as anything found in the urban streets that typically attract the dark beauty of the noir genre. New York Journal of Books Akashic Books continues its award-winning series of original noir anthologies, launched in 2004 with Brooklyn Noir. Each book comprises all new stories, each one set in a distinct location within the geographic area of the book. Grady and Graff, both Montana natives, masterfully curate this collection of hard-edged Western tales. Brand-new stories by David Abrams, Caroline Patterson, Eric Heidle, Thomas McGuane, Janet Skeslien Charles, Sidner Larson, Yvonne Seng, James Grady, Jamie Ford, Carrie La Seur, Walter Kirn, Gwen Florio, Debra Magpie Earling, and Keir Graff.
