A little girl makes sure she walks out of the barbershop rocking the fabulous hair style she chooses. Learn the importance of speaking up for what you want through this fun and empowering picture book. When a little girl walks into her local barbershop, she knows she wants the flyest, freshest fade on the block! But there are so many beautiful hairstyles to choose from, and the clients and her mother suggest them all parts, perms, frizzy fros, dye jobs, locs, and even cornrows! But this little girl stays true to herself and makes sure she leaves the shop feeling on top with the look she picks! Author Shauntay Grant's sweet, rhyming story encourages young girls to be self-confident and celebrates the many shapes and forms Black hair can take. Through their stunning illustrations, Kitt Thomas is able to bring life and movement to the versatile styles featured in this book.
