Id rather face a dozen lethal assassins any night than deal with something as tricky, convoluted, and fragile as my feelings. But here I am. Gin Blanco, the semi-retired assassin known as the Spider. Hovering outside sexy businessman Owen Graysons front door like a nervous teenage girl. One thing I like about Owen he doesnt shy away from my pastor my present. And right now I have a bulls-eye on my forehead. Cold-blooded Fire elemental Mab Monroe has hired one of the smartest assassins in the business to trap me. Elektra LaFleur is skilled and efficient, with deadly electrical elemental magic as potent as my own Ice and Stone powers. Which means theres a fifty-fifty chance one of us wont survive this battle. I intend to kill LaFleur or die trying because Mab wants the assassin to take out my baby sister, Detective Bria Coolidge, too. The only problem is, Bria has no idea Im her long-lost sibling . . . or that Im the murderer shes been chasing through Ashland for weeks. And what Bria doesnt know just might get us both dead. . . .
