As First Consul, Napoleon, behaved more as an absolute ruler than as a revolutionary statesman. The Napoleonic Wars were a series of conflicts waged against Napoleon's French Empire by opposing coalitions that ran from 1803 to 1815. As a continuation of the wars sparked by the French Revolution of 1792, they revolutionized European armies and played out on an unprecedented scale, mainly due to the application of modern mass conscription. Sought to govern France by demanding loyalty to the state, rewarding ability and creating an effective hierarchical bureaucracy. This volume begins by looking at the political context that produced the Napoleonic Wars and setting it within the broader context of eighteenth-century great power politics. The French Revolutionary and Napoleonic Wars sit at the climacteric cross-roads of the globe's transition from the early modern age to modernity, setting the tone for the remainder of the nineteenth century.
