Em Griffin asserts that Gilligan's theory of "moral development [claims] that women tend to think and speak in a different way than men when they confront ethical dilemmas." [4] This theory also suggests the feminine ethic of care and the masculine ethic of justice Carol Gilligan The arc of developmental theory leads from infantile dependence to adult autonomy, tracing a path characterized by an increasing differentiation of self from other The different voice in resisting such justifications is a relational voice: a voice that insists on staying in connection and most centrally staying in connection with women, so that Carol Gilligan, in In a Different Voice: Psychological Theory and Women's Development, asserts that most men utilize principles of justice to resolve moral dilemmas, whereas This is the little book that started a revolution, making women's voices heard, in their own right and with their own integrity, for virtually the first ti Translated into sixteen languages, with more than, copies sold around the world, In a Different Voice has inspired new research, new educational initiatives, and political In a different voice by Carol Gilligan.
