From the creators of the picture-book sensation Grumpy Monkey comes a hilarious celebration of families of all stripes! Lots of nontraditional family structures are celebrated in this super-fun and super-accessible board book! Kids will love finding their own family represented, no matter if they have two moms, one grandpa, or just a cousin named Doug. The brilliant creative team behind Grumpy Monkey wanted a simple book they could use to talk with their kids about the different kinds of families they would encounter in the world so they made this! A silly and positive introduction to open-mindedness and all kinds of family love.
