Once again Saguario Valley works its magic when Harriet Winthrop agrees to a vacation with her mom Helen a friend of the Morgans and Spark Foster. After wrenching heartbreak, Harriet has sworn off men forever. Her first valley evening she meets "swoon-worthy" Kyle Morgan and jumps headlong into a white hot love affair. "Love em and leave em" Kyle is bowled over by his feelings for the shy, beautiful east coaster. Then shadows of Harriet's traumatic past sweep over the lovers and their relationship is threatened -- by distance, dangers on the trail and bone shattering memories. Will love bring these two together or keep them apart?Join the Morgans, Fosters and their growing families in this eighth book of the beloved series. Finally Kyle gets "his story" and maybe the woman of his dreams!
