New York Times Bestselling Author: He won't stay put for a woman, and she won't chase after any man.... I'm madly in love with the Kowalskis. Nalini Singh, author of the Guild Hunter series Mitch Kowalski lives out of a suitcase and he likes it that way. Traveling for work has the added bonus of scaring off women who would otherwise try to tie him down. But when he's called home to help with the family lodge, he's intrigued by the new girl in town and her insistence that she doesn't need a man. If there's one thing Mitch can't resist, it's a challenge. After a nomadic childhood, Paige Sullivan is finally putting down roots. Determined to stand on her own two feet, she lives by the motto Men are a luxury, not a necessity. But when Mr. Tall, Dark and Hot pulls up a stool in her diner and offers her six weeks of naughty fun with a built-in expiration date, she's tempted to indulge. They're the perfect match for a no-strings fling. Until they realize their sexy affair has become anything but casual... Praise for the Kowalskis series Sexy, sassy and immensely satisfying. Fresh Fiction One of those stories that you don't want to put down. Night Owl Reviews
