The latest in the New York Times bestselling Sunny series brings Sunny into a sink-or-swim summer, where she needs to float her first job and dive into her first maybe-flirtation. It's summer, and Sunny is BORED. Most of her friends are out of town. Her mom wants her to baby-sit way more than Sunny wants to baby-sit. There's nothing good on TV. The only place that's cool (in a not-boring sense) and cool (in a not-hot sense) is the community pool. Sunny loves going there . . . and loves it even more when she's offered a job at the snack shack. Soon she's flinging fries and serving soft ice-cream like a pro . . . with the assistance of the very sweet boy who works with her. Sunny's mom isn't sure Sunny should be quite so independent. But Sunny is definitely sure Life is best when it's free swim.
