A serial killer finds new hunting ground in the Smokey Mountains in this smart, sexy and scary as hell thriller by the New York Times bestselling author (Lisa Jackson, New York Times bestselling author). Just outside Cherokee Pointe, Tennessee, a victim is sacrificed on a makeshift altar the gruesome handywork of a killer who has evaded authorities in state after state. FBI agent Dallas Sloan knows the scene all too well just as he knows the killings won't stop until there are four more bodies. Genny Madoc's sixth sense has brought many of Cherokee Pointe's residents to her isolated log cabin, looking for help. But now it's Genny who needs help from disturbing visions that are getting stronger and more violent by the day. Thrown together by necessity, drawn to each other by desire, Dallas and Genny must band together, searching the darkest heart of a town's hidden secrets before a twisted killer can complete a deadly ritual that will make one of them the fifth victim. Fast... edgy... sexy... I loved *The Fifth Victim*! Linda Howard, New York Times bestselling author
