- 1 New York Times bestselling author Lora Leigh has captivated millions of readers with her sizzling, thrilling tales. Here together for the first time in a convenient ebook bundle is the complete Elite Ops series, with the strongest, most powerful heroes the Elite Ops have ever seen and the women that can bring them to their knees: Wild Card It was supposed to be simple. All Navy SEAL Nathan Malone had to do was rescue three young girls from a Colombia drug cartel, then allow himself to be captured just long enough to draw out a government spy. That was before his mission went disastrously wrong and before his wife, Bella, was told that Nathan was never coming home. Maverick Micah Sloane knows almost everything there is to know about Risa Clay, including the vicious betrayal she endured years ago and the distrust she's harbored ever since. The only way for the Elite Ops agent to uncover an assassin and banish the ghosts of his own dark past is to use Risa as bait. Heat Seeker John Vincent has always led a life of danger, and now he has every reason to want to remain as dead as the obituary in the Australian papers had proclaimed him to be. He'd left nothing behind in the life he had once led except for one woman, and one night of unforgettable passion. Black Jack The Secret Service can't control him. The British government can't silence him. But renegade agent Travis Caine is one loose cannon you don't want to mess with, so his commanders cut him a break and cut him loose. His new HQ is America's top intelligence force, Elite Ops. His new code name is "Black Jack." And his new assignment is to die for. Renegade As a bridal shop owner, Mikayla Martin helps make women's wedding dreams come true. Her own life, however, has become a nightmare since she witnessed a murder and got an up-close-and-personal look at the killer. What's worse: She knows she knows him. Live Wire Meet Captain Jordan Malone. For years he has been a silent, sexy warrior and guardian, operating independent of government protocol or oversight, leading his loyal team of Elite Ops agents to fight terror at all costs. Jordan's true identity has remained a mystery even to his own men until now.
