USA TODAY BESTSELLER The offseason is heating up for one Carolina Cold Fury heartbreaker whos eager to make nice with the girl next door. No one plays like Reed Olson, whether its hockey season or not. After back-to-back NHL championships, hes craving a little R blond, busty, and interested and fortunately he has a little black book full of options. So why is it he cant stop dreaming about the new girl who just moved in next door? A certified brainiac, she seems to want nothing to do with the hard-bodied athlete. Josie lves desperately needs something her celebrity neighbor obviously doesnt: solitude. Reed is everything she imagined a little too good-looking, with a body that puts Greek gods to shame. But she didnt expect he would also be funny and charming. Josie knows shes the opposite of his type, and thats fine with her. Still, the chemistry between them is undeniable. Their newfound friendship certainly has its benefits, but shes starting to wonder if opposites really do attract. Praise for Reed Sawyer Bennett is my go-to author for all things sexy. And Reed certainly blew my skates right off! USA Today bestselling author Stacey Kennedy Reed has quickly become one of my favorite books in the series.
