Three shipsOne fleetMany destiniesSetia Zees fled Earth to escape the clutches of a tyrannical master, becoming one of humanity's first deep space colonists.Her destination, Talman Prime, should be a pristine planet, never inhabited by intelligent life. That's how it looks at first, but then Setia stumbles across what seem to be the remains of an ancient civilization.The other colonists don't agree. They think she's crazy.Can she convince them? Does it really matter?When she discovers the aliens may still exist, it does.Talman Prime is book one in the space mythic adventure, Interstellar Fleet.
