A hilarious, full-color manga about scheming cats from the creator of Yokai Cats and Monster Cats! We will teach humans to fear the feline race! They may seem cute and cuddly, but these kitties are up to no good! Under the direction of the purple-caped Feline Commander, the Evil Secret Society of Cats schemes against humanity in a series of humorous stories as adorable as they are diabolical. After all, the complex nature of cats is part of their charm.
