Then: Morning light shines into the nursery, casting shadows across the pale pink walls and wooden cot in the middle of the room. She opens the door expecting to hear the soft coo of her daughter Sofia stretching herself awake. But the room is silent. The cot is empty. Her little girl has vanished...Now: Twelve years have passed, but Emily will never forget the night her life changed forever and she's happy to have her daughter back beside her. A teenager now, Sofia - who was once a star student - is getting into trouble at school and she's started asking questions about when she was a baby, but Emily can't tell her what really happened the night she went missing. Nobody would understand why Emily did what she did, and if anyone ever found out, she could lose her daughter forever. But when Emily catches Sofia messaging a stranger online, her heart pounds in her chest as she reads the last message received. Your mother isn't who you think she is. Days later, Emily returns home to find the house silent. She checks every room but Sofia has vanished, again. She shudders as she remembers that night in the nursery. Has her past finally caught up with her? And is she already too late to save her precious daughter? A completely gripping, utterly twisted thriller that will leave your jaw on the floor. Perfect for fans of Gone Girl, The Wife Between Us and The Woman in the Window. What readers are saying about The Nursery: 'Omg... I can't even begin to tell you how fantastic, great, marvellous, twisty and so much more!!!!!! ... I literally could not put this down, not even to eat, barely breathed... Must must must put this on your to read list!!! Like now, right now... this second, trust me you will not for one second be disappointed... A lot more than 5 stars!!!!!!' Goodreads reviewer 'Had me gripped from the first page... I couldn't put the book down, that's how addictive it was... This page-turner had me fully absorbed for hours. I'm still shocked at all the twisty revelations. Wowie!... Gave me goosebumps... Do not miss this book. Grab it, devour it and be chilled by it!' Carla Kovach 'Wow! Just Wow!... Absolutely brilliant!... Jaw-dropping... Shocking!' @travel_thru_books
