From USA Today Bestselling Author Aileen Erin Life has been crazy since Tessa McCaide moved to Texas. Shes gone from being a normal-ish girl with visions to a super-powered werewolf. Shes fought off vampires and broken a nearly unbreakable curse. And shes got a hot mate, Dastien Laurent, to keep her busy. Things are looking up until the full moon ceremony rolls around. Before Tessa can strengthen her bond with Dastien, the local coven crashes the gates, demanding that Tessatheir heir apparentbe returned. If the pack wants to avoid a war with the witches, handing Tessa over is the only option. Tessa doesnt want to cause an all-out fight, but joining a dark-magic coven isnt on her to-do list, especially if embracing her magic side means parting with Dastien. When the coven leader tries to control Tessa with dark-magic, Tessa realizes she has to dismantle the coven or prepare the pack for war. Either choice will change her lifeand her worldforever.THE ALPHA GIRL SERIES1. BECOMING ALPHA2. AVOIDING ALPHA3. ALPHA DIVIDED4. BRUJA5. ALPHA UNLEASHED6. SHATTERED PACK 7.
