One dark 'n' stormy night. One short curvy accountant. One very exclusive club. Jessica can't believe her luck. After her car slides into a water-filled ditch, she asks to shelter in an isolated mansion only to learn it's a private bondage club. Given the choice, she decides to enter. She hadn't realized when signing the "Rules of the Shadowlands" that she'd get much more than she bargained for. Her next mistake is attracting the attention of Master Z, the intimidatingly, confident owner of the Shadowlands. The most powerful dominant in the club, Master Z can have anyone he wants-and he wants Jessica. It's time to enter the darkly seductive world of the Shadowlands... This is not just the best in its genre, I think it might be put in my ultimate favorite category. The only problem in reading a book this great is that you tend to use it to gauge everything else you read. I may not be able to give out a top rating again for awhile. Guilty Indulgence
