For Immortal Huntress and cunning private investigator Nikki Glass, vengeance trumps all in the final novel in acclaimed author Jenna Black's addictive urban fantasy series! What happens when fertility goddesses go on strike? Nothing much except maybe the end of the human race. When private investigator Nikki Glass became immortal as a descendant of Artemis, she never dreamed she'd find herself playing marriage counselor to the gods. But she doesn't really have much of a choice when the crazed ex-wife of Anderson Kanea god in disguise who just happens to be the son of a Fury decides to enact revenge by wiping out all of humanity. Somehow, Nikki must convince the two to kiss and make up, but with Anderson now gone AWOL, she'll have to find him first. To top it all off, she cats out of the bag that Anderson killed Konstantin, the Olympians deposed leader. Now their new boss Konstantin's sons are out for blood. With every mere mortal's fate now resting in Nikki's hands, can she outsmart the gods or will she be doomed to spend the rest of eternity in a barren and desolate world?
