Charming a dragon prince might be her people's only hope. Too bad this handsome shifter may be more than she can

handle.From NY Times & USA TODAY Bestselling Author, Michelle M. Pillow, a fantasy science fiction romance! As an
ambassador for the dragon-shifter monarchy, Prince Kane is well aware of his responsibilities. The shifters might have
expelled the evil Federation from their planet and freed their alien prisoners, but they're left with chaos and opposing
factions threatening civil war. This is not the time for Kane to be thinking about romance, especially with Nova, a daredevil
leader who rattles his calm and tempts his inner fire. The rousing woman's ideas go against everything he and his people are
trying to accomplish. Before a virus wiped out their home planet and they relocated to Shelter City, Nova's mother had been
a revolutionary leader. It's a role Nova has inherited. If outside threats weren't enough, age-old conflicts are fracturing her
people during a time they need to band together. Unfortunately, they're isolated and greatly outnumbered, and everything
she holds dear is on the line. Charming a dragon prince might be her people's only hope. Too bad this handsome shifter may
be more than she can handle. Book Four of the Qurilixen Lords series, the much anticipated dragon shapeshifter romance by
NY Times and USA TODAY Bestselling Author, Michelle M. Pillow.
