My dad has forbidden his entire football team from speaking to me, but the quarterback needs a tutor. The entire football team at my high school lives by one rule, they're not allowed to date the coach's daughter. Lucky for me, I'm the coach's daughter. If the players ever come close to flirting with me, Dad makes them run laps until they puke. What Dad doesn't know, is that I spend every last second of practice staring at Tyson Blake. He's six foot three, incredibly toned, smells good even when he sweats. So when Tyson asks me to tutor him, I can't turn him down. After all, what Dad doesn't know won't hurt him. But the more I get to know Tyson, the more I realize there's something deeper. And I can't walk away. Even if what we are doing breaks every single one of Dad's rules. If only my heart understood the rules, I wouldn't have fallen for Tyson Blake. Stupid heart. Some rules are meant to be broken. If you love forbidden love and stolen first kisses, you'll love Rule #1: You Can't Date the Coach's Daughter. Grab it today! The Rules of Love Romance series contains full length, standalone romances that are full of happily ever afters.
