Perfect for fans of Jenn McKinlay and Ellery Adams, Scarlett Gardners dream was to open a bookshop in Southern California, but it soon becomes a nightmare when she finds the dead body of a customer and becomes the prime suspect. Southern California is where dreams come true or so Scarlett Gardner thought. When she moved there and opened the Palm Trees and Page Turners bookshop, she thought her boyfriend and business partner would be part of the story. When he leaves her for a better job, Scarlett finds herself struggling to keep her new business afloat. That's not the only thing she has to worry about she discovers something underneath the pier by her bookshop that she didn't outline for her life's story the dead body of a book-buying customer. After Scarlett gives a statement to the police, she thinks her life can go back to business as usual. But when a lawyer, representing someone named Lorelai Knight, tells Scarlett that she now stands to inherit a small fortune, she's left with more questions than answers. Before she can make sense of any of it, the police bring her in for questioning; the body she found was Lorelai Knight. And the evidence they have against Scarlett doesn't look good. Business is booming as Scarlett returns to Palm Trees and Page Turners, but for all the wrong reasons curious tourists don't want books, they want a glimpse of the Bookshop Killer. Who could really be behind all of this? And why frame Scarlett? To clear her name, she's going to have to get creative and hope she can remain one page ahead of the killer.
