HE DOES NOT LET ANYONE ROLL THE DICE. There's rarely a dull moment in the Four-Cornered World. The party of Club Fighter, Supreme Gods Cleric, and Harefolk Hunter takes on a new challenge only to discover there are some enemies they can't hope to defeat. Priestess joins Female Knight, Witch, and High Elf Archer on an adventure-but somehow they end up defending a besieged fortress. Meanwhile, some runners in the water town are on the hunt for a drug dealer, yet all they find is a corpse. And then there's Goblin Slayer, who's once again teamed up with Spearman and Heavy Warrior! What other endeavors, both big and small, do our heroes have in store?
