When a Las Vegas prank turns into an accidental and very legal marriage, Isabel Shipley is dead set on getting a discreet and hasty divorce. The last thing the struggling artist wants is to admit to her family she's screwed up-again-but Everett Drake's desire to give their marriage a chance proves hard to resist. Billionaire Everett Drake is as surprised as Isabel to find himself married to a virtual stranger. But what's done is done and arranged marriages have succeeded with less than the chemistry he and Isabel share..Isabel checks all the boxes-minus her determination to divorce.Can two people from two very different worlds find the common ground that will make a marriage work-or will they have to admit defeat and end their Vegas mistake?
