ISBN-13: 9780241674604

A personal account of the life and character of Britains longest-reigning monarch now with added material about the coronation of King Charles III. This intimate, personal biography of our beloved Queen Elizabeth II tells the story of her remarkable life, reign and times, from a perspective unlike any other. Gyles Brandreth will write the Queens tale candidly with grace and sensitivity from the view of someone so close to her, her husband Philip and the wider Royal family. Told with a refreshing dose of humor and moving honesty from a totally unique viewpoint, Elizabeth An Intimate Portrait is the must-have biography of the longest-serving monarch in English history, of a woman who has represented not only her people but stood as an emblem of fortitude and resilience worldwide, throughout her long life.
