Say! Africa for the Africans, Like America for the Americans: This the rallying cry for a nation, Be it in peace or revolution. Yes, all of us know that a better day is coming; we all know that one day we will go home to Paradise, but whilst we are hoping by our Christian virtues to have an entry into Paradise we also The most famous collection of Garvey's speeches and essays, originally compiled by his wife in two volumes in and Addeddate He was one of the first black leaders to encourage black people to discover their cultural traditions and history, and to seek common cause in the struggle for true liberty and , · He was one of the first black leaders to encourage black people to discover their cultural traditions and history, and to seek common cause in the struggle for true , · Africans," illustrates many of Garvey's beliefs. Blacks are men, no longer cringing fools; They demand a place, not like weak tools; But among the world of nations great. They demand a free self-governing state eiving the People There is many a leader of our race who tells us that everything is well, and that all things will work out themselves and that a better day is coming.
