R. Kelly's former tour manager testified in court about bribing a government worker with \$500 to get a fake ID to marry Aaliyah when she was 15 because he thought he got her pregnant.

Demetrius Smith, Video Porno 65, told jurors in a Brooklyn courtroom that he arranged a bribe to get Aaliyah a fake ID so she could marry Kelly - then 27 - in August 1994 while flying back to Chicago.

Smith also said Kelly's accountant began making arrangements for Indo Bokep the marriage, Porn Video and Video Bokep told Kelly 'to protect himself, Video Porno protect Aaliyah.'

Asked by a prosecutor Porn Sex what Kelly needed protection from, Porn Video Smith said, Bokep 'I guess jail!'

The marriage was ultimately annulled after six months.

Aaliyah - a talented breakout singer - died in a tragic 2001 plane crash.

Demetrius Smith points out Kelly after asking him to take off his mask during Kelly's Porn Sex abuse trial at Brooklyn's Federal District Court on August 20

Smith's testimony was part of the third day in the R&B singer's Porn Sex abuse trial where the court also heard from one of R.

Kelly's former doctor.

The physician - Dr. Kris G. McGrath - told jurors that he used to prescribe Kelly herpes medication so frequently that he memorized his number and Indo Bokep was paid in trips around the country for Foto Porno parties and Bokep concerts in lieu of cash.

McGrath, now a professor Porn Sex at Northwestern University and Kelly's former primary care physician, Indo Bokep testified Thursday that he began prescribing the singer medication to treat herpes symptoms at least as far back as 2007.

That's nearly two years before Kelly met one of his accusers - Jerhonda Pace, Video Porno now 54.

She said the last time she saw Kelly was in January 2010, Porn Sex when he allegedly spat in her face, Foto Porno slapped her and Porn Sex choked her until she passed out after she failed to submit to his demands.

Pace said she began having Porn Sex with him when she was 16 years old and developed sores on her vagina while having Porn Sex with Kelly

The singer called his doctor Bokep to his home, Video Bokep and Indo Bokep he examined the minor Porn Video while Kelly was in the room, Foto Porno confirming that the sores were herpes, Porn Sex Pace testified.

Dr.

Kris G. McGrath, Video Bokep now a professor Bokep at Northwestern University and Kelly's former primary care physician, testified Thursday that he began prescribing the singer medication to treat herpes symptoms at least as far back as 2007. He's seen here in a courtroom sketch

The doctor told jurors that he first became aware of the possibility Kelly might have herpes much earlier, Foto Porno after a June 5, Video Porno 2000 visit.

Pace, Foto Porno who is heavily pregnant and Video Bokep only a few days from her due date, told jurors Kelly would often film their sexual encounters after they started having Porn Sex in 2009, Bokep when she was just 16 and he was 42.

The doctor Porn Sex told jurors that he first became aware of the possibility Kelly might have herpes much earlier, Video Porno after a June 5, Foto Telanjang 2000 visit.

'He called to request a prescription for Bokep what he called "the blue pill, McGrath said. *'The phone calls seemed to be frequent for the blue pills.'*

*Kelly called so often for medication that McGrath eventually memorized the singer's phone number. The pharmacy where he worked was near a McDonald's where Kelly allegedly met one of his accusers.*

*McGrath eventually told Kelly to take the pills daily.*

*Prosecutors' questioning on Kelly's apparent herpes was meant establish that Kelly was well-aware of his diagnosis, as evidence in their allegations that he gave it to partners without telling them.*

*Jerhonda Pace, now 28, took the stand in Brooklyn's Federal District Court for a second day Thursday to testify about the six months of alleged abuse she suffered at the hands of Kelly, now 54, as a teenager*

*Kelly's attorneys argued herpes is not life-threatening, so Kelly shouldn't be charged with passing it to a minor.*

*His defense team specifically argued the herpes exposure charge should be dropped because herpes is a virus and not 'an acute, bacterial venereal disease such as syphilis or gonorrhea.'*

*Defense lawyers took it a step further and argued that the racketeering charges should be dismissed altogether because they said they fell outside the five-year statute of limitations.*
