From the world of George R. R. Martins A Song of Ice and Fire comes a collection of 80 delicious recipes inspired by the histories of Westeros, Essos, and beyond. For those who long to dine with the Dragonlords of Old Valyria or quaff a cup of mead with King Robert I, The Official Game of Thrones Cookbook unlocks the vast culinary world of George R. R. Martins A Song of Ice and Fire. Presented as the in-world manuscript of a Citadel maester, these eighty recipes take the reader on a delectable journey throughout the Seven Kingdoms, across the Narrow Sea, and back into the annals of history. The book is created by Chelsea Monroe-Cassel, who tends the popular Inn at the Crossroads food blog and co-authored A Feast of Ice and Fire. Her Maester Alton is curious, food-obsessed, and loves the fare of the highborn and small folk alike. His recipes evoke the worlds regions, history, and stories in a charming and knowledgeable voice. The eight chapters offer recipes for every meal of the day, including Dothraki Blood Pie, Crown Roast of Boars Ribs, Dornish Creamcakes, Redwyne Roasted Grapes, Seaweed Ships Biscuits, Barley Griddle Cakes, Winter Town Wassail. Recipes are illustrated by mouthwatering food photography and stunning woodcut illustrations. A resource section suggests menus by region, so you can hold a feast in Riverlands, The Wall, or Braavos. Complete with an introduction by George R. R. Martin, The Official Game of Thrones Cookbook transports you to a much-loved world where trestle tables groan with sumptuous feasts, goblets overflow with mead, and winter is always coming.
