Written 75 years ago, 1984 was George Orwells chilling prophecy about the future. And while 1984 has come and gone, his dystopian vision of a government that will do anything to control the narrative is timelier than ever...This 75th Anniversary Edition includes A New Introduction by Dolen Perkins-Valdez, author of Take My Hand, winner of the 2023 NAACP Image Award for Outstanding Literary WorkFiction A New Afterword by Sandra Newman, author of Julia A Retelling of George Orwells 1984The Party told you to reject the evidence of your eyes and ears. It was their final, most essential command.Winston Smith toes the Party line, rewriting history to satisfy the demands of the Ministry of Truth. With each lie he writes, Winston grows to hate the Party that seeks power for its own sake and persecutes those who dare to commit thoughtcrimes. But as he starts to think for himself, Winston cant escape the fact that Big Brother is always watching...A startling and haunting novel, 1984 creates an imaginary world that is completely convincing from start to finish. No one can deny the novels hold on the imaginations of whole generations, or the power of its admonitionsa power that seems to grow, not lessen, with the passage of time. Nominated as one of Americas best-loved novels by PBSs The Great American Read
