"At once a fast-paced mystery and a love story as warm as a hearth . . . This is a classic in the making." Ava Reid, internationally bestselling author of *The Wolf and the Woodsman*, on *A River Enchanted* The #1 New York Times bestselling author of *Divine Rivals* returns to the magical isle of Cadence to find the balance between the human and faery realms imperiled in this stunning conclusion to the Elements of Cadence duology that began with *A River Enchanted* East and west. Humans and spirits. Breccans and Tamerlaines. The Isle of Cadence has always held itself in a tenuous balance. But now Bane, the spirit of the North Wind, has pushed everything off-kilter in a bid to claim dominion over human and spirit alike. In the east, a sickness is spreading among the people of the Tamerlaine clan. As healer Sidra desperately searches for a cure, her husband, Torin, the clans new leader, attempts to draw answers from the spirits. But the further he strays into the realm of the elementals, the more lost he and the clan become. In the west, Jack decides to take up his harp and cross the clan line, not only to reunite with Adaira, but to unravel a sinister mystery that would grant him the knowledge to defeat Bane and restore peace to the isle. Yet no one can challenge the North Wind without paying a price, and the sacrifice required this time may just be the ultimate one. Rebecca Ross weaves an enchanting tapestry of mystery and magic, love and sacrifice, in this thrilling conclusion to the Elements of Cadence duology.
