The ultimate, comprehensive investigation into the life and career of Vice President Kamala Harris from former Washington Examiner and Breitbart News political reporter Charlie Spiering. Who is the real Kamala Harris? And how did she ascend to the second highest office in the country? Despite her limited experience in national politics and confusing professional history, there hasn't been a comprehensive examination of Vice President Kamala Harris's journey to the White House...until now. Find out how the San Francisco socialite turned politico fast-tracked her way onto the national stage, only to lose the faith of her base and her president. With exclusive reporting and a detective's eye, Charlie Spiering delivers the first-ever deep dive into Kamala Harris's hilarious, incompetent, radical path to the vice presidency. From her tumultuous tenure as California prosecutor to the fiery interrogator in the United States Senate, then to her disastrous presidential campaign and finally, her calamitous first years in executive office, this is an unfettered look at the woman who is only one heartbeat away from leading the free world.
