I'm alpha. Powerful. Feared. My fated mate is human. She has pigtails. Cartoon kitten t-shirts. And I need to learn how to sleep with one eye open. The woman got hurt on my watch. I had no choice but to claim her. Then Zoe stole my car and my heart. And now that I have her back, she must pay the price. I only want her love and her eternity. It's not that much to ask from the woman chosen to mine. But Zoe thinks to save me from the danger she poses. No dark secret or demons from her past will keep me from the woman I love. And my enemies who think to use her to hurt me have no idea what they've unleashed. My petite female is scarier than the hell she carries with her. Kade is the closed-door version (also known as a safe-for-work, clean, or kisses only romance) of Possessed by Nancy Corrigan.
