This Barnes original 2013 text short story Warm Up, which is set in the Vicious universe. Taking place in the years between VICIOUS and VENGEFUL, ExtraOrdinary follows the tale of a teenage girl named Charlotte Tills who following a fatal bus crash, seemingly dies only to wake up to discover she has become an EO a person with ExtraOrdinary abilities. In Charlottes case, its the ability to see people's deaths, but when she looks into her own future, sees her own murder at the hands of the self-proclaimed hero and notorious EO killer Eli Ever, who is currently in prison for the murder of Victor Vale. Refusing to accept her fate, Charlotte sets off to find and change her future before it comes for her. This graphic novel introduces Eli Ever, the antagonist at the heart of the Villains series. Also includes for the first time ever in print, V.E. Schwabs original text short story, Warm Up. Set in the Vicious universe and follows the story of a family man called David, who after surviving a deadly avalanche wakes up as an EO with the terrifying ability to create fire with his mind. Drawn by sensational Mexican artist Enid Balam, ExtraOrdinary introduces a whole new take on the genre of super-powered humans!
