A disgraced Chicago cop launches a one-man war against organized crime in this novel by the New York Times bestselling author of the Doc Ford series. A man holds twelve children hostage at gunpoint. Across the street, James Hawker dangles from a skyscraper, watching the terrorist through a snipers scope. Hawker has a shot, and he wants to take it, but the police brass say no. By the time he gets permission, it will be far too late. The terrorist opens fire, killing two of the children before Hawker can take him out. When the smoke clears, the madman is dead, and Hawkers career is toast. No longer a cop, hes about to become Americas deadliest defender. The father of one of the murdered children hires Hawker as a private vigilante, and gives him an unlimited bankroll to wage a nationwide fight against organized crime. The first battle will be fought in Florida, where drug smugglers have taken root like a cancer and Hawker will have to cut them out. From the author of Mangrove Lightning and the Hannah Smith series, whoraises the bar of the action thriller, this is a hard-charging story of one mans quest for justice (The Miami Herald). Florida Firefight is the 1st book in the Hawker series, but you may enjoy reading the series in any order.
