An illustrative application Israeli sociologist Orna Donath breaks important ground in her book, *Regretting Motherhood: A Study*. from being a nonmother, and the wish to undo ORNA DONATH is a sociologist and anthropologist whose work focuses on reproduction, motherhood, and non-motherhood; she currently lectures at several universities in Israel. — There is a dual purpose to this article: First, I hope to establish regret as a distinct stance from other conflictual and ambivalent maternal emotions Drawing on years of research interviewing women from a variety of socioeconomic, educational, and professional backgrounds, sociologist Orna Donath treats regret as a A provocative and deeply important study of women's lives, women's choices—and an 'unspoken taboo'—that questions the societal pressures forcing women into motherhood The extensive simulation-based results indicate that the EWMA-MQDRSS chart performs better to trace all kinds of shifts than the existing charts. Her previous book, *Making a Choice: Being Childfree in Israel*, was published in Donath has also served as chair of the Hasharon Rape Crisis Center in Raanana, where In. mainstream and media discourse, this stance of regretting the transition. She bravely takes on motherhood regret squarely and directly, If we are disturbed by the idea that a woman might regret becoming a mother, Donath says, our response should not be to silence and shame these women; rather, we need to ask honest and difficult questions about how society pushes women into motherhood and why those who reconsider it are still seen as a danger to the status quo Orna Donath *Regretting Motherhood: A Sociopolitical Analysis* O ver the past few ades motherhood in Western societies has been widely discussed, challenged, and polemically reworked in gender and queer studies and in feminist scholarship The bodies of knowledge produced by these intensive inquiries have made it possible to discuss the mother and motherhood as cultural and historical *Regretting Motherhood: A Sociopolitical Analysis* O ver the past few ades motherhood in Western societies has been widelydiscussed,challenged, andpolemically reworked ingenderand queer studies and in feminist scholarship The bodies of knowledge produced by these intensive inquiries have made it possible to discuss the an emotive and cognitive stance of regret toward their motherhood.
