A fast-paced, irreverent adventure for fans of isekai and RPGs! High schooler Rakuro loves hunting down "trash games," but one day he decides to play a AAA VR game called Shangri-La Frontier instead. He creates a character with a bird head, skips the cutscenes and jumps right in but what awaits him in this game is different from anything he's ever faced...INTO THE ABYSS Sunraku's impromptu party managed to barely defeat Lycagon...or not. The hard-fought victory ended up being bittersweet as it was revealed that the crazy tough boss was merely Lycagon's shadow. However, a win is a win, and Sunraku is on to the next adventure. After making it to Fifticia, Sunraku meets up with Rust and Mordo, who provide the promised information about a unique scenario. Sunraku, along with some unexpected guests, begin the hunt for a new colossus, Ctarnidd of the Abyss!
