This new highly-illustrated series is guaranteed to make you laugh so hard milk will come out of your nose! Strangeville School is the wackiest, most dangerous school you will ever attend...and you'll desperately want to come back for more! Harvey Hill just wants other kids to think he's normal. So he's happy to start fresh as the newest kid at Strangeville Middle School. Except Strangeville is anything but normal. Something sinister swims in the drinking fountain, the cafeteria could swallow you whole, and a giant rat named Cuddles is on the loose. And don't even get the vice principal started on the third-floor supply closet. In fact, don't even think about it. What supply closet? At least Harvey has his guide and sort-of new friend Stella Cho to show him the ropes. School newspaper reporter, first chair flugelhorn, and hiding a secret of her own, Stella shows Harvey that maybe "normal" is overrated. But when Stella goes missing while trying to solve the secret of the supply closet (oh that supply closet!), Harvey must embrace what makes him unique to save his new friend and his new school. Sideways Stories from Wayside School meets Welcome to Nightvale in this wacky new series!
