After an unexpected family tragedy, a reclusive high school student is forced to leave his home only to face something much scarier: a reality where monsters are trying to kill him. Sweet Home is a Korean TOON Netflix Drama: Movies & TV Chi's adventures continue as her new family moves to a new home, she meets other cats, and learns to like the vacuum. First published in Japan in 1999, by Kodansha Ltd. Tokyo. Contains volumes and two bonus cat comics! Back cover "Contains volumes and two bonus cat comics!" Back cover Sweet Home panel, TOON. At the heart of the story is a hero finding a reason to live. At the heart of the story is a hero finding a reason to live. Sweet Home is complete and currently available to read for free on toon and so is Shotgun Boy! A episode live-action adaption is also available on HOME SWEET HOME CHAPTER I THE GREAT HOUSE A LARGE old-fashioned rambling white house, with red-tiled roof standing high up on the side of a steep green hill. The second collaboration of Carnby Kim and Youngchan Hwang, Sweet Home is a slow-building, captivating, and harrowing series that delves into the emotional. Very nice as a read, it is also much better than the other work created by the author Bastard, I can say that Sweet Home is a good horror apocalyptic manhwa to approach. Sweet Home panel, TOON. Now a major adaptation on streaming. Many Asian comics, be it Korean or Japanese, have a common theme about depression, finding empathy, and Welcome to the Sweet Home Wiki, home of information about Sweet Home and it's prequel, Shotgun Boy, two thriller comics by Youngchan Hwang and Carnby Kim, the minds behind the Bastard toon.
