They say Loyalty is everything, but beneath the surface of a promise lies betrayal and deceit. Taught by the best and given the keys to an empire Kiam's loyalty is tested at every turn as he strives to enforce his rule over those who ultimately can't be trusted. A deadly warning directs his course as he strives to carry out his orders. Complications set in when his mentor's beautiful, sexy, and rebellious daughter Lissha, who is as comfortable carrying a gun as she is carrying a Gucci bag, forces Kiam to decide between his sizzling desire for her and his immense loyalty to big Zo. Amidst the torrid but unspoken passion that builds between Kiam and Lissha like a blazing inferno, lies hidden alliances and deceit that threaten to explode at every turn. With sex, money, murder and dark secrets lurking around every corner and a team of beautiful yet dangerous women he is forced to work with, who will ultimately be the Bitch he can't trust.
