In this action-packed story by a #1 New York Times bestselling author, a covert agent faces off against a terrorist cell armed with a powerful weapon. A deadly betrayal is at the center of The Athens Solution. When a game-changing weapon falls into the wrong hands, the US Ambassador to Greece must risk everything to recover it, even if it means participating in a ruse that costs his life. With the ambassador dead and the device still at large, covert counterterrorism operative Scot Harvath rushes to eliminate a terror cell about to sell the dangerous technology to Iran. As the sun sets on the Aegean Sea, Harvath must go head-to-head with a traitorous adversary in a confrontation that puts the fate of America and her allies at risk... Originally published in the short story anthology, Thriller, The Athens Solution has been revised and includes a brand new, bonus afterword. This riveting addition to the Scot Harvath thrillers delivers all the pulse-pounding action and high stakes fans have come to know and love from Brad Thor. Without a doubt, The Athens Solution will leave fans hungry for more! Praise for The Athens Solution Nobody can pack as much action into fifty pages as Brad Thor... Undoubtedly the best short story I've ever read. The Real Book Spy
