Saylor Silver has a magic touch when it comes to healing abused horses. But when a disabled soldier reaches out to her, will she allow him to rein in her heart? Veterinarian Saylor Silver can sense an animal's illness with just a look or a touch. Too bad she's not known for taking as good of care of herself, and neither is her wayward boyfriend who is known as the town flirt. But if Saylor learned anything from her parents' multiple remarriages, it's to never give up on your first love. No matter how much love hurts. Jefferson Moore's arm is still numb after an injury on his last military mission. But he's filled with feeling the first time Saylor touches him. He's on the Silver Star Ranch to keep a promise to his general, Saylor's late father. In order to save the ranch, each of the six Silver sisters must marry. Jeff would leap at the chance to marry Saylor, if only she'd drop her deceitful boyfriend. When Saylor catches her boyfriend cheating yet again her dreams of a future together wither. She agrees to a marriage of convenience with the kindhearted soldier Jeff in order to save her family's ranch. But after years of neglect and mistreatment, she's not sure what to do with a man who treats her with care and kindness. Jeff pretends he's just honoring the terms of their deal, but the truth is he's fallen hard for Saylor. When the conniving boyfriend returns begging for another chance, will Jeff admit to his true feelings or risk losing the woman he wants to cherish? Find out if love can truly heal all wounds in this light-hearted, sweet romance of convenient arrangements that unfold into lasting love. His Pledge to Cherish is the second in a series of marriage of convenience tales featuring Wounded Warriors who are healed with the power of love.
