Richard Pevear and Larissa Volokhonskys masterful translation of The Idiot is destined to stand with their versions of Crime and Punishment, The Brothers Karamazov, and Demons as the definitive Dostoevsky in English. After his great portrayal of a guilty man in Crime and Punishment, Dostoevsky set out in The Idiot to portray a man of pure innocence. The twenty-six-year-old Prince Myshkin, following a stay of several years in a Swiss sanatorium, returns to Russia to collect an inheritance and be among people. Even before he reaches home he meets the dark Rogozhin, a rich merchant's son whose obsession with the beautiful Nastasya Filippovna eventually draws all three of them into a tragic denouement. In Petersburg, the prince finds himself a stranger in a society obsessed with money, power, and manipulation. Scandal escalates to murder as Dostoevsky traces the surprising effect of this positively beautiful man on the people around him, leading to a final scene that is one of the most powerful in all of world literature. Everyman's Library pursues the highest production standards, printing on acid-free cream-colored paper, with full-cloth cases with two-color foil stamping, decorative endpapers, silk ribbon markers, European-style half-round spines, and a full-color illustrated jacket. Everyman's Library Classics include an introduction, a select bibliography, and a chronology of the author's life and times.
