ISBN-13: 9780985322540

A historical analysis of the origin of the War on Terror and the strategic plan to Balkanize the Middle East under the pretext of fighting terrorism. Contains fifteen chapters about the relationship between the terror attacks of 9/11 and the War on Terror. Explains the common origin of both and reveals the real underlying strategy of the War on Terror, America's longest war. Foreword by Alan Sabrosky. Includes an American Muslim perspective written by the Nation of Islam Research Group.
