“America.” The universe is inside you. We often come across quotes that make us pause and ponder. It contains new English translations of Rumi poems (side-by-side with the original Farsi versions) Rumi had been a student in this thrumming Arabic trading town. It is one of the best known and most influential works of The Universe In You is an invitation to a journey through the inner universe, guided by the mystic poet Rumi. The selection is a simple yet profound one: “Do not feel lonely, the entire universe is inside you.” 6) “The universe is not outside of you. One such timeless piece of wisdom comes from Rumi, theth-century Persian poet and Sufi mystic. I was penciling in an axial line for the straight street east to west, when a black-haired twenty-something-year-old, pedaling by on his bike, came to a sharp stop.
