In this ground-breaking book, clinical psychologist Oliver James shows that it is the way we were cared for in the first six years of life that has a crucial effect on who we are and how we behave. Using as examples of various personality traits and problems, Oliver James cites the lives of Prince Charles, Woody Allen, Mia Farrow, Paula Yates, serial killers and victims of sexual abuse in *They F\*\*\* You Up*. In the process, he has written an accessible but scholarly treatise on the role of care, or its lack, in early childhood. Oliver James trained and practised as a child clinical psychologist and, since, has worked as a writer, journalist, broadcaster and television documentary producer and presenter. Does your life seem overwhelmingly governed by jealousy or competitiveness or lack of confidence? His books include the bestselling *They F\*\*\* You Up*, *Affluenza*, *Contented*, *Dementia* and *Office Politics*.
