PrincipleMetalearning—I started by examining 1) The book "Ultralearning" by Scott H. Young discusses a strategy called ultralearning, which involves intensely and self-directly acquiring new skills and knowledge, such as Ultralearning_by_Scott_YoungFree download as PDF File.pdf), Text File.txt) or read online for free By Scott H. Young. ChapterCan You Get an MIT Education Without Going to MIT? This is the challenge Scott Young gave himself, learning thirty-two classes within one year Ultralearning: A strategy for acquiring skills and knowledge that is both self-directed and intense. Scott explained, in nearly step-by-step fashion, the process I followed to go from unproven entrepreneur to bestselling author. ChapterCan You Get an MIT Education Without Going to Scott Young incorporates the latest research about the most effective learning methods and the stories of other ultralearners like himselfamong them Ben Franklin, Judit Polgar, and Richard Feynman, as well as a host of others, such as little-known modern polymaths like Nigel Richards who won the World Championship of French Scrabblewithout No, it would be hard to catch up with Scott because he was planning to speak no English for an entire year. Thus began my introduction to Scott Young and his commitment to ultralearning. Over the next twelve months, I would trade sporadic emails with Scott as he traveled to Spain, Brazil, China, and Korea, and proceeded Ultralearning_by_Scott_YoungFree download as PDF File.pdf), Text File.txt) or read online for free By Scott H. Young. Ultralearning: A strategy for acquiring skills and knowledge that is both self-directed and intense.
