Learn to Identify Birds in Virginia! Make bird watching in Virginia even more enjoyable! With Stan Tekielas famous field guide, bird identification is simple and informative. Theres no need to look through dozens of photos of birds that dont live in your area. This book features 140 species of Virginia birds, organized by color for ease of use. Do you see a yellow bird and dont know what it is? Go to the yellow section to find out. Fact-filled information, a compare feature, range maps, and detailed photographs help to ensure that you positively identify the birds that you see.
