What does a small-town rancher know about being out and proud? Absolutely nothing. But that's about to change. Jeremiah Urban has always hidden who he really is, but he's tired of being alone and watching everyone around him fall in love. However, at forty-two, he fears the repercussions of coming out to the residents of Antelope Rock. Can he find a man he can trust to catch him if he falls? Enter Dale Harris, the new foreman on a neighboring ranch, who's comfortable in his own skin. He's only got one rule: whoever he's with must be true to themselves. That means Jeremiah is off-limits. So why can't Dale leave the captivating man alone? Will the strength of his feelings for Dale encourage Jeremiah to open the door and venture out of the closet that's suffocating him? Fans of Lucy Lennox and Annabella Stone will fall in love with this small-town contemporary western romance that celebrates owning your identity and where love knows no boundaries.
