Hey there! Are you in the mood to watch some awesome box office movies online? Well, you're in luck because there are a few great options available to you. First up, you can subscribe to a streaming service that offers a wide range of movies, including the latest box office hits. Some popular options to consider are Netflix, Hulu, Amazon Prime Video, and Disney+. These platforms have partnerships with movie studios, so they often have the newest releases available to stream once they've finished their run in theaters. If you prefer a more flexible approach, you can rent or purchase movies from online platforms like Google Play Movies, iTunes, or Vudu. These platforms give you the opportunity to rent or buy individual movies, so you can enjoy a diverse selection of box office hits. It's worth noting that the availability of box office movies online may vary depending on where you are and the licensing agreements in place. Also, keep in mind that some movies might not be immediately available for streaming after their theatrical release, so it

may take a little time for them to become available online. But don't worry, there's always something new and exciting to watch!

## **WHEN AND WHERE CAN I STREAM "I Am Celine Dion"?**

The new prequel to "**I Am Celine Dion**" will first be available for streaming on Starz for subscribers. Later on, the movie will also be released on Peacock thanks to an agreement between distributor Lionsgate and the NBC Universal streaming platform. Determining the exact arrival date of the movie is a slightly more complex matter. Typically, Lionsgate movies, like "John Wick 4," take approximately six months to become available on Starz, where they tend to remain for a considerable period. As for when "Songbirds Snakes" will be accessible on Peacock, it could take nearly a year after its release, although we will only receive confirmation once Lionsgate makes an official announcement. However, I Am Celine Dion you want to watch the movie even earlier, you can rent it on Video on Demand (VOD), which will likely be available before the streaming date on Starz.
