Tom is desperate to fit in at school, but he's hungry and howling, not to mention half dead. Blame it on the vampire - and the werewolf - and the zombie - in this monstrously funny new series from SpongeBob SquarePants head writer Steven Banks."Fast! Funny! Fresh!" - Chris Grabenstein, #1 New York Times best-selling author of the Mr. Lemoncello's Library series"What are you waiting for? Open this book right now!" - Tom Angleberger, New York Times best-selling author of the Origami Yoda seriesThanks to a series of unfortunate bites, eleven-year-old Tom is a triple threat he's a Vam-Wolf-Zom. And just in time for the first day of middle school. So much for his Invisible Tom Plan. He never thought to make a What If I Turn Into A Vampire Werewolf Zombie Plan. Maybe it's time for a Run Away and Live Somewhere Else Plan?With the help of his irrepressible best friend, Zeke, Tom tries to accept his future. Zeke thinks being a Vam-Wolf-Zom sounds EXCELLENT! (Zeke thinks everything sounds EXCELLENT!) At least he'll be able to stand up to the sixth-grade bully. The question is will the rest of Hamilton Middle School accept the Vam-Wolf-Zom, too? Tom's toothsome saga is illustrated with clever, cartoon-style art on every spread. Created by an Emmy-nominated writer for SpongeBob, The Adventures of Jimmy Neutron, and CatDog, this new series is perfect for fans of Diary of a Wimpy Kid and The Last Kids on Earth. EXCELLENT!
